

CHAPLAINS FOR WOMEN IN MINISTRY
March 14, 1989, St. Louis, Missouri

Having again been blessed by the ministry of women at this meeting of chaplains, we affirm the efficacy of their response to God's call to ministry. From the diversity of our ministries in healthcare, military, correctional and business settings, we unite under One Spirit, in one accord in recognizing the equality of pastoral gifts of men and women in ministry.

We call our church into a full recognition, by ordination, of the ministry of women. As Adventists compelled by the imminence of our Lord's return we believe this calls for leadership, not waiting.

We pledge to continue our spiritual and emotional support and affirmation of women who are our colleagues in ministry.

We now also commit ourselves to material support to ensure that women without adequate travel budgets may attend meetings vital to the fulfillment, nurture and recognition of their ministries until organization and committees provide appropriate funding. We urge them to do so now.
